Re: 019-17290-00007
First Administrative Amendment to
Part 70 019-5891-00007

Dear Mr. Gahn:

Kitchen Kompact, Inc. was issued a permit on February 24, 1999 for operation of a kitchen cabinet and miscellaneous wood fixture manufacturing plant. A letter requesting a change in the submission date of the semi-annual certification compliance to the months of July and January instead of May and November and a change in the submission date of quarterly compliance monitoring reports to January, April, July and October was received on May 14, 2003. Pursuant to the provisions of 2-7-11 the permit is hereby administratively amended as follows:

Regarding the question of changing the semi-annual certification compliance reporting times, Permit Condition D.3.14 (a) and (d) Reporting Requirements of Part 70 Permit 019-5891-00007 (page 29) already specifies that after the first year the reporting months will be July and January as requested. Therefore no change is necessary and the semi-annual certification compliance reporting times will be July (covering the period January through June) and January (covering the period July through December).

Regarding changing the quarterly compliance monitoring reports from February, May, August and November to January, April, July and October; by copy of this letter IDEM, OAQ approves of Kitchen Kompact, Inc. making the requested reporting time changes. Kitchen Kompact, Inc. must not miss any reporting months during the transition period.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Walter Habeeb, at (317) 232-8422.

Sincerely,

Paul Dubenetzky, Chief
